II. Mining and Reclamation

1. Was there any mine related activity during the past year? Yes ☒ No ☐
2. If no - what was the last year of activity? _____
3. If yes - how much ore or mineral was mined? 12,825

4. Briefly describe the type of work performed, volume of material moved, and any new or additional surface disturbances that occurred during the past year.
We removed large riprap from the east side of the existing Hidden Treasure Pit. Operations were conducted within the pit area in January 2001. The rest of the years production came from Amendment area of Ballast quarry.
5. How much **additional acreage** was disturbed during the past year? NONE - This area was previously disturbed.
6. How much acreage was **reclaimed** during the past year? NONE
7. Briefly describe the reclamation work performed during the past year. This description should include methods employed, and an evaluation of the results.
NONE
8. What is the **total** disturbed acreage of entire project at years end? 5 ac
9. Briefly summarize any mining and/or reclamation plans for the upcoming year.
No mining is planned or production of Riprap from this area. All mining & production of Riprap has been from shifted to the Amended area to our existing ballast quarry.

NOTE: Section III., "Additional Information" applies only to **large mining operations**.

III. Additional Information - R647-4-121.2 and .3

1. The operator shall include an updated map depicting surface disturbance and reclamation performed during the year, prepared in accordance with Rule R647-4-105.
2. The operator shall keep and maintain timely records relating to his performance under the Act, and shall make these records available to the Division upon request.

IV. Signature Requirement

I hereby certify that the foregoing is true and correct.
